## Million Dollar Impact!

**"It's when ordinary people rise above the expectations and seize the opportunity that milestones truly are reached." Mike Huckabee**

This year the Bryan Area Foundation and its affiliates **are excited to announce a very significant milestone....**

Over \$1 million in grants and scholarships were awarded in FY2020!

And that is not all, even in these uncertain times assets grew to over \$29 million with an endowed balance of \$24.7 million. Donations totaled over \$2.9 million and eight new funds were established. Since 1969, over \$13.4 million dollars in grants and scholarships has been given throughout Williams County.

As we celebrate these milestones, we wish to thank our donors who have partnered with the Foundation and invested in their community for a **MILLION DOLLAR IMPACT**. In the coming year we look forward to strengthening our community together, and the many opportunities and milestones that lie ahead.
