This past year posed both challenges and opportunities. Despite the challenges, there were many opportunities; new partnerships were developed through the Meet YOUR Match Campaign, community grants expanded programming and projects throughout Williams County, a new Founders Grant program was initiated, we dedicated the Fountain City Amphitheater, and Power in the Purse continued to define how collective giving betters our community. Our Annual Report highlights many of the opportunities realized this year.

Meet **YOUR** Match

25% Community Fund Match

Thanks to YOUR generosity, the Bryan Area Foundation's
Meet YOUR Match Campaign
will impact the community for generations!

One thing this past year taught us, now more than ever, we can't always anticipate what the needs of our community will be from year to year. So, for this reason, in the fall of 2020, the Bryan Area Foundation initiated the Meet YOUR Match Campaign. This campaign offered a 25% match for donations to any new or existing community fund. The match generated \$168,469 in new community fund donations, consisting of 111 individual gifts, 15 new community funds, and 20 donations to existing funds.
